Kiwanis Club of South Pasadena

CELEBRATING A GREAT JULY

Bringing the Community Together

South Pasadena Kiwanis Club has been an important part of the city for 100 years! There is no better way to serve our city than to bring it together in joy and celebration. Our Pancake Breakfast is a time for neighbors to share stories; a time for people who only see each other once a year to be grateful for our city; a time for old SPHS classmates to visit and catch up with each other. Our Pancake Breakfast does this and more. This month's edition of our newsletter shares photos and memories from a great 2023 event.

A great time was had by all...but let's not forget this event also serves as a fundraiser so our club can give scholarships to South Pas students, help create a Student Wellness Center, contribute to many necessary causes in our city.

This year our event raised over \$9,000 for all the good work Kiwanis South Pasadena participates in every year. Thanks to everyone for their support. So many helped, and it's hard to single anyone out, but we are most grateful to Eric Ehrlich, and where would we be without Gerry Poulin who is always there to get things done. This year the burden of creating our success fell on Tom Carson who served as the chairperson of the event. Thanks to Tom and his family for their time, effort, and sacrifice to get this done.

OFFICIAL GOVERNOR VISIT

Governor, Valarie Brown-Klingelhoefer visited with Division 10 On Saturday July 29. The Pasadena Kiwanis Club hosted the event at the Pasadena Salvation Army. The inspiring personal message from our Governor demonstrated the importance Kiwanis can have on each life it touches.
